Yours respectfully.

W. H. EWING, Douglass, wyo.

They come every which has not cures by Dr. McLaughlin's Electric Belt.

Now, what does this mean to you, dear reader? If you are not what you ought to be, can you ask any better proof to make you try it? Is there a remedy which is as simple, as easy to use, as sure to cure and as cheap as Dr. McLaughlin's Electric Belt? I have not seen one. You must try it. In justice to yourself and to those who look to you for their future happiness, try it now. Act this minute. Such a matter ought not to be delayed.

It's as good for women as for men. Worn while you sleep, it causes no trouble. You feel the gentle, glowing heat from it constantly, but no sting, no burning, as in old style belts.

Send for my beautiful book, full of the things a man likes to read if he wants to be a strong man. I send it, sealed, free. Cut out this ad.
